There are many ways to get to Mayne Island: sky dive, swim, grab a ride from a friendly seal or whale, canoe, kayak, helicopter, jet ski, destroyer, sailboat, surf, raft, drift in on driftwood, airplane, **ferry**.

1) Arrive at the ferry terminal

2) follow the signs to exit the terminal

3) upon exiting the terminal the first road you come to is Dalton. Turn right onto Dalton Road. You will soon come to a Stop sign. Turn onto Village Bay road.

4) you will now pass the Re/Max building on your right.

5) turn off of Village Bay road onto Wood Dale Drive

6) you will see a bank of mailboxes on your left.

7) looking left you will see Meadowmist Farm.

Now look to your right.
Look up look way up
and you will see...

291 Wood Dale Drive

This is our house.
Please park your car on the road
and walk up the steep hill.

"Olavia's" studio
is a separate building
behind the house.

Come on in.
My needles will
be clicking.
